Re: U.S. v. Town of Oyster Bay, et al.

Dear Mr. Goldberger and Mr. Greene:

Enclosed please find a disc containing a document production by the Town of Oyster Bay bearing Bates numbers TOB00010353-TOB00014274. These documents concern the administration of the Next Generation program and include, for example and without limitation, letters sent to Next Generation applicants and residents, waitlists, and applications for Next Generation housing.

Because they contain sensitive and confidential personal and financial information about Next Generation applicants and residents, the Town designates the documents contained herein as Confidential under the terms of the Protective Order.

Separately, the Town accepts the proposal set forth in Mr. Greene's July 19, 2016 email concerning the Government's inspection and scanning of Golden Age files in the Town's possession.

Please let me know if you have any questions.

Regards,

Brett Reynolds
